Chelsea Tutorials
2019 - 2020

Elementary Learning Club - Grammar, Math & Logic (3rd through 5th grade)

Course Description: This club is designed to have fun while we learn. Each week we will start the class working on analogies and other logic skills. Then for the reminder of class, we will alternate weeks focusing on playing a variety of learning games to enhance early elementary skills in arithmetic, grammar, geography and team-building.

Prerequisite: The student should be able to read, at a minimum, at the second grade level.

Instructor: Melissa Hames has been married to her husband, Tim Hames, for 22 years. They have two teenage boys and have been homeschooling for 8 years. Before having children, she worked as the Assistant Director of a children's mobile dental office servicing children in need. Later, she spent 5 years working as a Preschool teacher. Melissa was also very involved with the Children's Ministry at her church in Georgia, where she taught Sunday school, Wednesday missions and many other classes throughout the year. Since moving here to Alabama, she began teaching classes at Chelsea Tutorials in the 2017/2018 school year. She is a member of the Children's Ministry Team at Grace Presbyterian Church, PCA.
