

Chelsea Tutorials

2019 - 2020

Pre-Algebra (7th through 9th grade)

Course Description: New concepts will be introduced in order of text. A semester syllabus will be provided. We will practice problems in class by example, step-by-step, on board by students, and in notebooks. Homework will be given daily and checked in class on the days that we meet together. Most tests will be given in class. The goal is to understand each concept and to be able to apply the concept when required.

Pre-Algebra is designed to prepare the student for Algebra 1.

Instructor: Mrs. Stephanie Horn graduated from Mississippi College in 1993 with a major in Elementary Education. She taught in both public and private schools for five years in MS, AL, and MO and has homeschooled her four children for the past twelve years. She has been married to Mark Horn for 25 years and has called Chelsea home since 2013.
