2020 - 2021

Intermediate Ballroom Dance (4th through 12th grade)

Course Description: Fundamentals of Ballroom Dance is for students in grades 6-12. This class covers a variety of dance styles, and will review concepts from Fundamentals of Dance such as dance etiquette, respect for others, and self-confidence. This class will cover concepts that are more challenging, and that are meant to serve as a transition into becoming a more advanced dancer. These skills are valuable in the real world, at dance events, and will help your child feel more confident and sophisticated in social settings. This class can count toward a PE or a Fine Art credit.

Prerequisite: The student should have successfully completed one or more school years of ballroom dance training, and have a basic understanding of the fundamentals of dance.

Instructor: Miah Thompson graduated from the University of Alabama in Birmingham in 2015 with a Bachelor of Science in Psychology. She started teaching social dance at Curt n' Wendy Dance in 2011, and started choreographing group and single routines in 2012. In 2014, she branched out and created her own company, Dueta Dance, which focuses on providing high quality dance training and teaching self-confidence to people of all ages and social backgrounds. Miah's belief is that anyone can learn how to dance, as long as they have an instructor who believes in them.
