2020 - 2021

Elementary World History: You Report! (3rd through 5th grade)

Course Description: Students in the class will study world history from creation to modern times by becoming an in-class reporter for World Times. They will use many mediums to gather information from events and present that information like a real reporter. Each week, while we study events in world history, we also work on a year-long report on Noah's Ark. Your child will step into apologetics as they can see and defend the Word of God through our research on Noah's Ark. We will use the Bible as eye witness reports in our reporting. We will have reporters of the week to provide interviews for our in class news channel. "History is more than dates, names, and facts. It's God's story unfolding through the ages, and it's full of applicable lessons for our lives today!" (Rainbow Resource)

Prerequisite: A 3rd grade reading level is required.

Instructor: Mrs. Becky Shirley graduated with her Bachelors of Science from the University of Montevallo in 2004. Afterwards, she worked with the ARC of Shelby County as a Service Coordinator for children birth to age five. She has also worked for the Shelby County Board of Education as an Elementary Paraprofessional. Since being called to homeschool her children, she has taught and tutored various classes. Mrs. Shirley has been married to her husband, Daniel for 14 years. They homeschool their two children in Chelsea, Alabama, where they have happily lived for the past 13 years.
