Spanish for Middle School (6th through 8th grade)

Course Description: Spanish for Middle School is an introductory course designed to give a basic practical understanding of the Spanish language. This course will give students who are planning to take Spanish in High School a marked advantage. Those students who plan on continuing with another language or who just want to be exposed to Spanish will also benefit. Students will gain an awareness of the kind of things one needs to know to grow in a language and will enjoy some success in learning vocabulary and building simple sentences. Included in the course will be scripture memorization, cultural units, and an introduction to Spanish verb conjugations.

Prerequisite: None, but prior exposure to Spanish is helpful

Instructor: Mrs. Christine Marshall. Mrs. Marshall has 27 years homeschooling experience her own (now grown) six children. Since returning to the states from the mission field of Chile, South America in 2005, she has continued work as a contracted private teacher/tutor for public, private and homeschooled students, teaching elementary through high school Spanish, as well as ESL (English as a second language). Mrs. Marshall draws greatly on her experience as a missionary in the Latin American countries of the Dominican Republic, Colombia, Costa Rica and Chile. She is married to David Marshall and has 10 grandchildren.
